Now for Cut Prices!

We have now reached the season of the year when we always cut prices on Spring and Summer Clothing. We have no excuse to offer. We simply wish to convert the balance of this season's stock into cash and get ready for Fall and Winter goods, and our low prices will certainly remove the stock from the store into the possession of our patrons. We don't want this advertisement to appear sensational or read like a fake. We wish it to impress sensible people as a truthful statement of a plain business proposition. We have now begun to cut prices straight—an actual mark-down without a previous mark up. We do this because it's good business policy, and these cut prices offer you the very best kind of business reasons for buying.

HERE ARE A FEW OF THEM.
